Dear Tara,

Thank you to you and everyone at Dorr Aviation for your generous support of Freedom Alliance and our military families!

The Freedom Alliance Scholarship Fund honors the bravery and dedication exhibited by Americans in our Armed Forces who have sacrificed life or limb defending our country by providing educational scholarships to their children. Since its inception, we have awarded more than \$9 million in scholarships. For the 2014-2015 academic year alone we awarded \$1.27 million in scholarships to a record breaking 304 sons and daughters of American heroes.

The success of Freedom Alliance and the impact of our programs is based solely on the generosity of our loyal supporters. Therefore, I'm proud to report that as of May, 2015 Dorr has donated more than \$26,000 to support the children of our fallen heroes!

Our average scholarship is approximately \$4,178, which means that Dorr has blessed at least 6 kids with a college scholarship – allowing the children of our fallen heroes to achieve the dream of a college education.

Thank you for your steadfast partnership!

Sincerely,

Amy R. Amundson
